FOREWORD

The 1957 Stone Fort depicts a year at SFA—a year beginning in April, 1956, and closing March, 1957. For some, this book will contain the memories of their first year at college. For others, the 1957 Stone Fort will be the last memento of college life. But for all students, this book is intended as an aid to help you retrace your footsteps through a year at Stephen F. Austin State College.

PRESIDENT OF THE COLLEGE

Colleges are strikingly similar to parents. Both rejoice in each new arrival; both visualize each newcomer as a potential leader in some field or fields of human endeavor; both struggle to give their best to each one entrusted to their care; both sympathize in the tribulations and rejoice in the achievements of their charges; both hate to see the ties of wholesome daily admiration, and companionship snapped by the inevitable maturity which comes to all normal persons, each selfishly wishing that these bonds could remain forever; and yet both glow with the greatest of pride when their progeny actually go forth and reflect the sincerity and adequacy of their training by becoming strong, honorable, wholesome, capable men and women, so thinking, so working, so living that they reflect at all times the best in human existence.

Naturally, we at Stephen F. Austin State College hate to see you, our 1956-57 graduates, leave these forty acres. You have become part of us. Nevertheless, we are proud of that which you already have accomplished, and are confident that you can and will reach many more goals of even greater personal consequence and social magnitude. We believe you possess the basic intellectual tools and academic skills needed to build lives of distinction. So for each of you we wish a full life-time of opportunities for hard, productive, enjoyable work, work which will make you a compliment to yourself, your family, your friends, your nation, your college, and your Creator.

It seems that, whenever man has wanted to preserve something, he has recorded it in a book. We are trying to preserve for you the 1956-57 year at Stephen F. Austin State College; thus we give you the '57 Stone Fort.

We, the staff, hope that in the years to come this annual will bring back the fun-filled memories of a college year. These pages are our meager attempt to preserve for posterity the highlights of one year at S.F.A.

This book is what might be termed a transition into a bigger and better annual for your college. Henceforth, the Stone Fort will contain the events from March of one school year to the March of another. This will allow the spring sports and events to be included in the annual. This book attempts to catch the most important moments of last spring in both the sports and social spheres, but we were somewhat handicapped in the picture department. We ask you to keep in mind that we worked with what we had.

The putting together of a yearbook is a tedious task. We lost pictures, forgot to get pictures made, put pictures on incorrect pages; we did everything wrong that a person could possibly do. BUT, we redid it, and in good faith we are saying (with bated breath) that we believe that most of our wrongs have been righted.

Special thanks go to Mr. Robinson, who never complained of our terrible picture-shooting schedule; to Mr. Gaston, who never became angry at our tardiness in getting things in on time; and to all those wonderful people who kept popping in and out of the office to give us a laugh when we needed one most.

The '57 Stone Fort was ours. A lot of hard work and a lot of good fun went into its making. Yes, it was ours, but now it is yours. We hope you like it!

STUDENT LIFE

THE PEOPLE
VET VILLAGE
THE PLACE
ORGANIZATIONS

Students are the life of a college campus. You can hear the hum of activity as you see boys and girls walking to class, to the Sub, or back to the dorms. The following pages show a year full of people, the place where most of our married couples reside, our college where many footsteps have fallen through the years, and the organizations that bind our student body together.

Forestry majors display muscles in field day events.

S. F. A. golfers finish second in conference play.

Pine Burrs portray talents in assembly program.

APRIL

Spring sports get underway in April of 1956. Golf, track, and tennis teams vie in conference meets. The Forestry Department conducts a field day. Assembly programs are presented by the social clubs on the campus.

George wins gold spittoon in tobacco spitting contest.

Sprinters prepare for conference meet.

Tennis is our game!

Dancing at the Old Southern Garden Dance.

Queen of the Spring Festival, Betty Norton, from ETSTC.

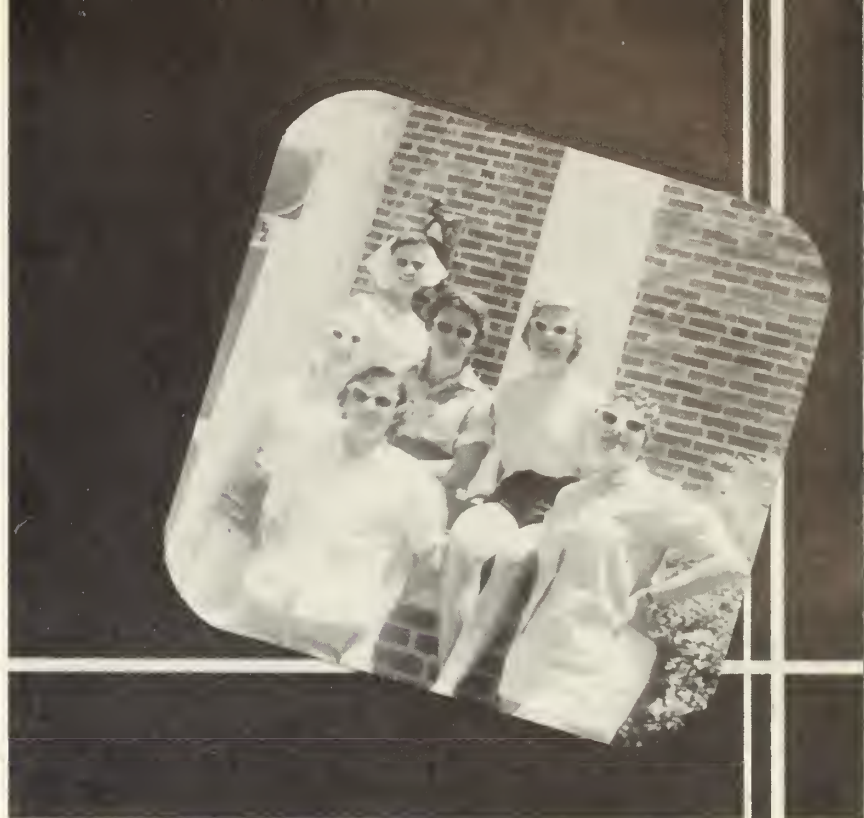

The queen's court of the Spring Festival.

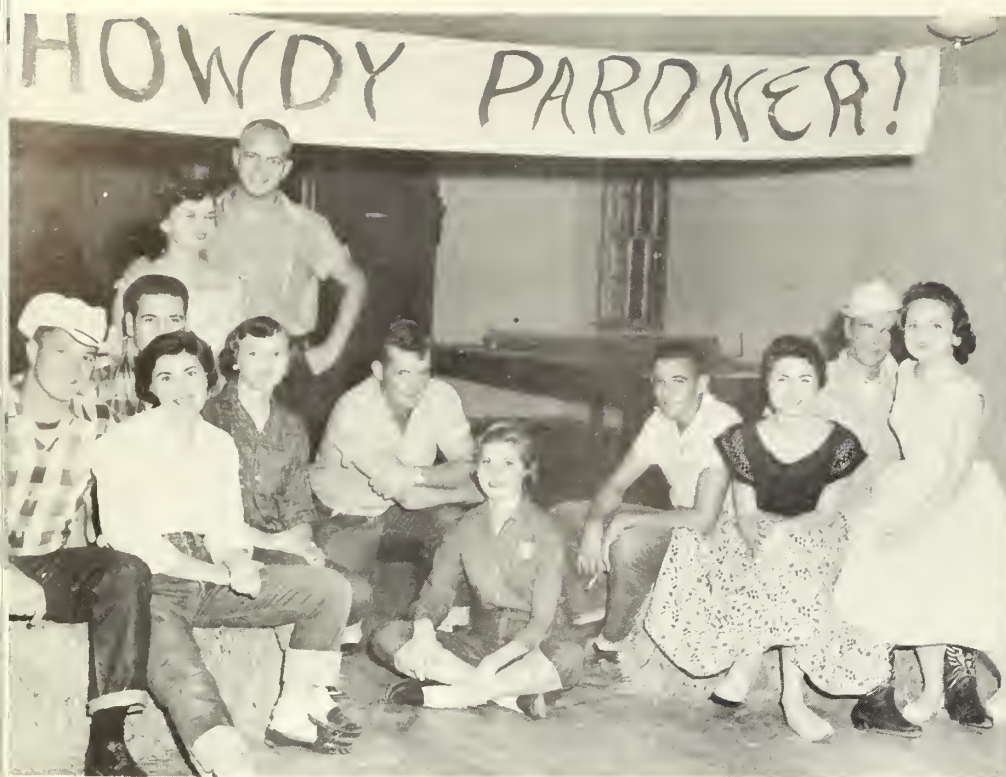

MAY

The merry month of May is indeed festive as some of the social clubs hold their biggest dances of the year. Forester-Fidele Spring Festival gaily begins the month. Rebel-Rebel Ann's Old Southern Garden Dance is another important occasion. The Pine Burrs have a week-end of fun at the beach before Commencement closes out the 1956 Spring Semester.

Check all those sunglasses, please!

A degree at last, and it was worth it!

Who is Kathy's handsome date?

These people are really getting acquainted!

Such a serious air for the Sub.

What a bunch of ranch hands

Such fun this class is having.

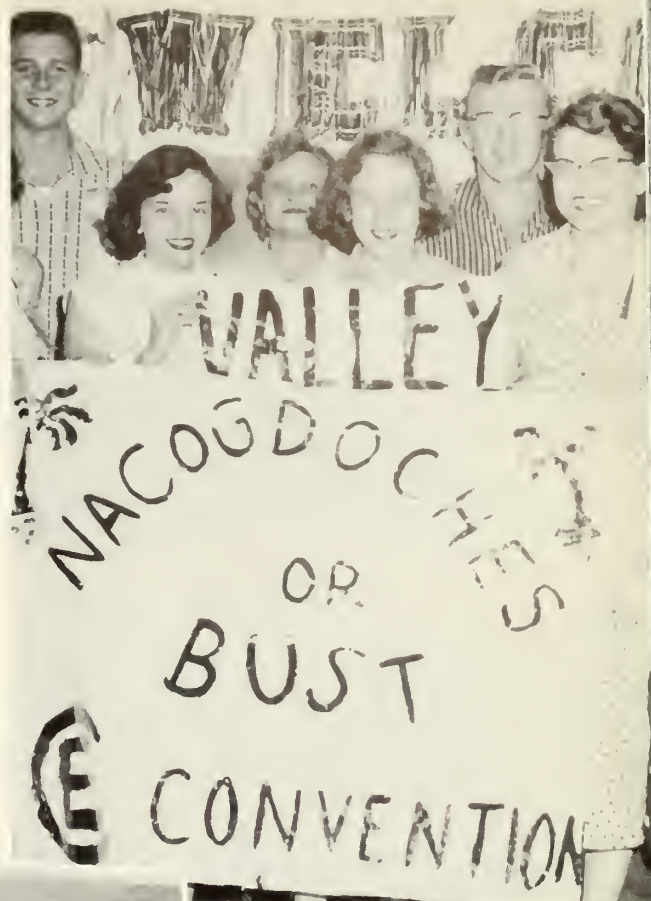

JUNE

Summer school gets underway with a "Get Acquainted Dance" at the Sub. Everyone tries to get in a swimming class. Conventions get underway and the Texas Christian Endeavorers meet here at SFA. The Pine Burrs give a Ranch Dance at the Sub that really has that western atmosphere. At the end of the month the annual school picnic is held.

And they made it too.

The water safety class.

Dr. Miller makes sure everyone gets served.

The school picnic was enjoyed by all.

These girls are practicing for the Fidele Sock Hop.

Stampede!

One reason why our boys like SFA's twirling school.

JULY

Summer gets into full swing with a sock hop at the Sub. Registration takes place again and a cheerleader clinic is held here. Highlighting the month, a watermelon picnic is given. The Fideles spend a gala weekend in Galveston. At the close of the month, batons are flashing as the twirling camp gets underway.

The staff of the twirling camp.

Three entertaining instructors.

And the "rah, rah's" filled the air.

What nice looking batons?

So refreshing.

Everyone really feasted at the watermelon party.

Watch the birdie.

Things were buzzing around the history table.

The mad rush of registration.

Blow, man, blow!

Time out for posing.

Refreshment time at the President's Reception.

Sooooo many hands to shake!

AUGUST

And summer school draws to a close as August rolls around. Social clubs entertain summer students with parties, and the Sigma Gammas entertain with an Inch Dance at the SUB. Then comes Commencement to climax the month and conclude summer school.

Now it's the graduates' turn to stand in line.

These girls enjoy the Fidele Watermelon Feast.

Don't breathe!

It was a long, hard pull.

Check those freshman beanies.

SEPTEMBER

September brings everyone back to school. Freshmen begin orientation with their days being full. But nights bring students to the Sub where old friends meet and new friends are made. A few days after registration President Boynton honors the student body with a reception.

The whole school must be in line.

Tell them about it, Dr. Franks.

Jo Beth is spreading the word.

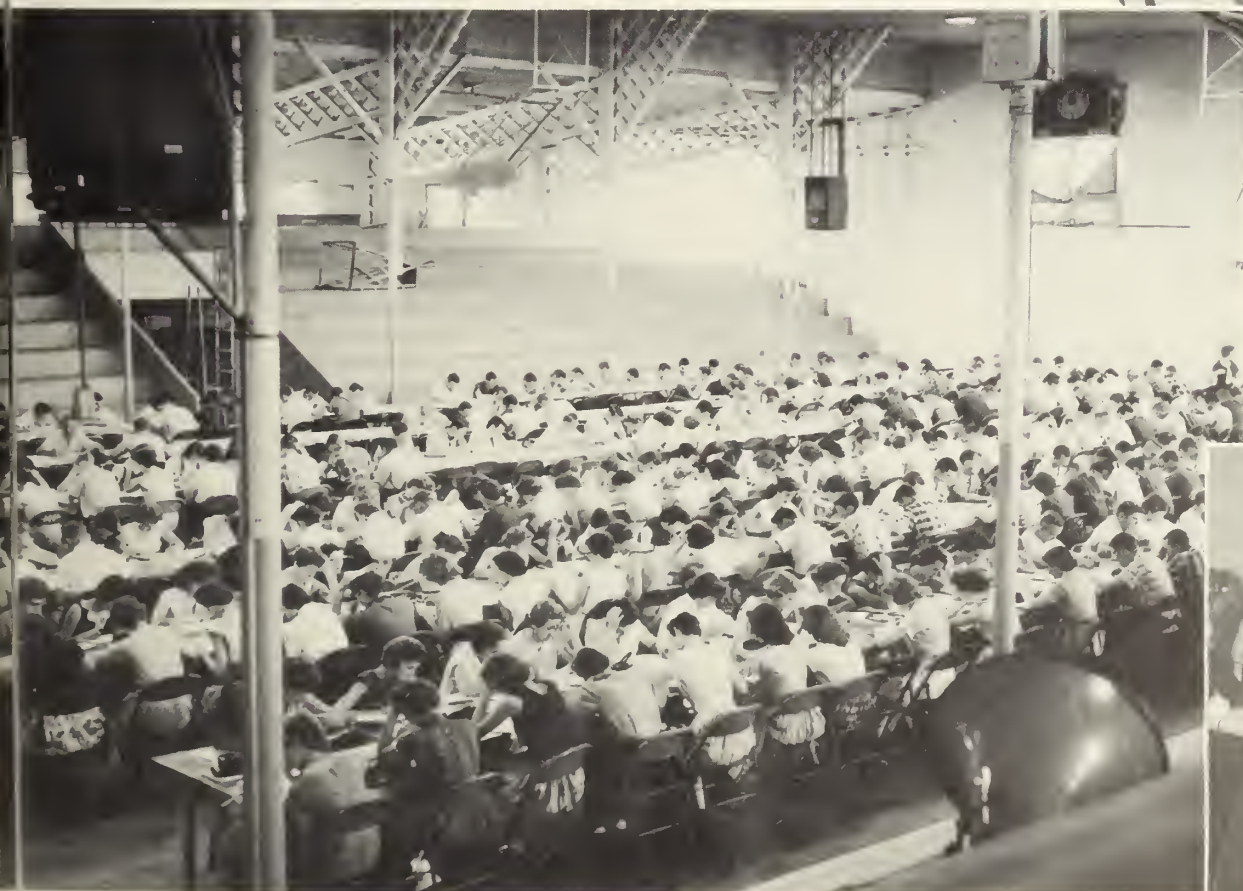

Are these practice smiles for the camera awaiting?

Everybody is "slipping" tonight.

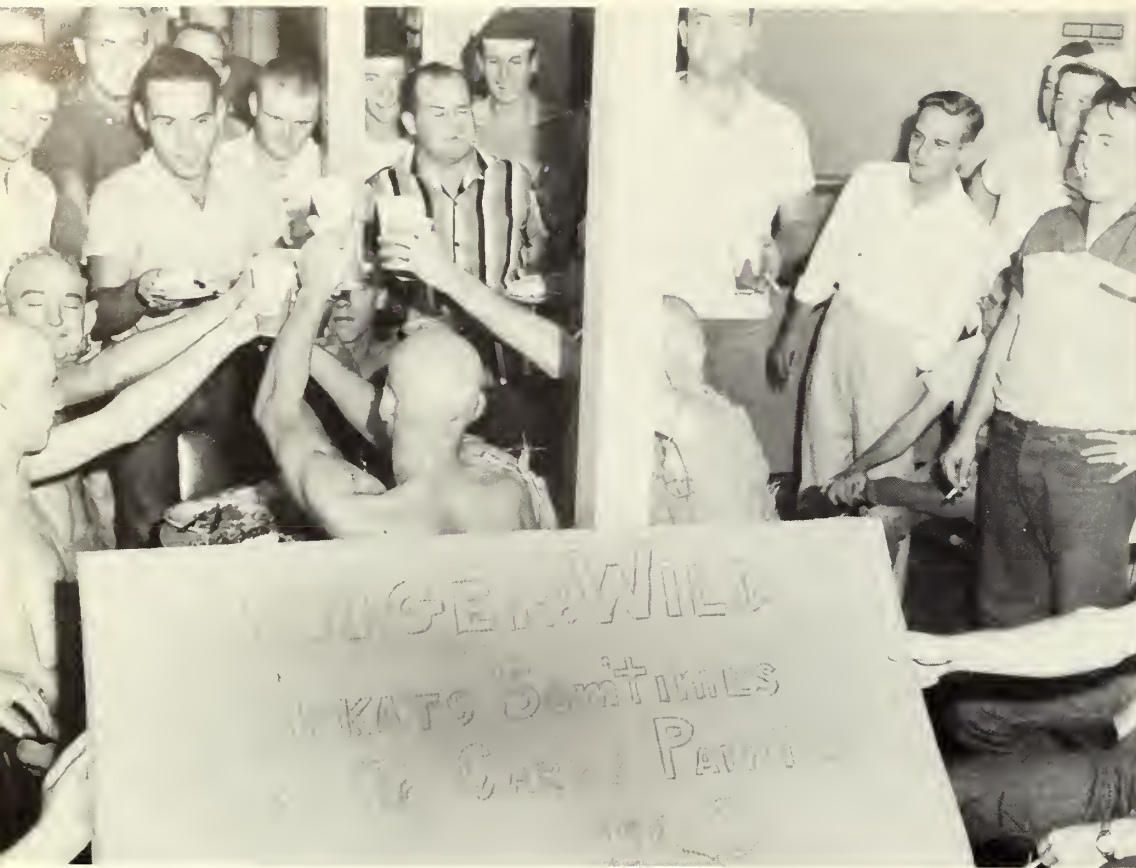

How long will this freshman industry remain?

Jack is really giving somebody the eye!

OCTOBER

Fall is ushered in and school gets into full swing. An Inter-Social Club Council is formed to organize Rush. Partying is carried on for several weeks, and then pledging begins. With football still the spotlight of interest, a little excitement is stirred up when some Sam Houston boys visit the campus.

Sam Houston Bearkats toast Lumberjacks.

SUB is scene of Amitie rush party.

Bearkats sport new haircuts.

A cage to discourage future invasions.

Pine Burrs entertain with fashion show at rush party.

I.S.C.C. is a big boost to social clubs.

Rebel Anns entertain rushees.

3. Fideles practice "tying the string" for annual ranch party.
4. Sigma Gammas hold rush party in Hotel Fredonia's Banita Ballroom.
5. Lambda Gamma rushees seem to be enjoying the food.
6. Rebel rushees enjoy evening's entertainment at party.

NOVEMBER

The Duchesses are on the move again in pre-game activities.

The Lambda Gammas roll on.

Dennis the Menace knew the people's choice.

A large crowd, in spite of the rain.

Halftime at homecoming.

Fight 'em, 'Jacks!

We'll make it, Coach!

It looked doubtful at times.

Now we're going!

Think it'll work, Pinky?

Faster, girls, faster!

November 3 marks SFA's 1956 Homecoming, and what a wet and sloppy day! In spite of the weather the 'Jacks emerge triumphantly 9-7 over Sul Ross in a thrilling ball game. Coronation is held at a dance that night after the Fred Waring Show. Other features of the month are the Corn Huskin' Bee and Lambda Gamma Pledge Day.

A lot of exes were seen at the dance.

Winners in the cornhusking bee.

The rain didn't dampen these girls' spirits.

Such gorgeous knees.

DECEMBER

Spirits soar high at the thought of the Christmas season and vacation time. Weird chants of "I love you, Pine Burr" are heard on the campus during P.B. Pledge Day. Christmas Dinner Dances are in full swing all during the month. SFA gets a touch of the true Christmas spirit as a toy campaign for underprivileged children is conducted.

The food must be good; just look at the smiles.

This is what we call really living it up!

Toys, toys, for the girls and boys.

And now they are cute
Pine Burrs.

Just look at all the "dress-
ed up" people.

Scenes from the Forester Dinner Dance.

This looks like serious business.

Fidele pledges in traditional pledge day costumes.

JANUARY

And the holidays are over; it's back to the grind again. The Fideles and Foresters have it rough with their Pledge Day and Flour Fight. The B.S.U. entertains with a banquet. The Art Department sponsors a student art exhibit. Everyone can be found at the Sub after basketball games.

B.S.U. members prepare for a feast.

Some new assets to the art department are found in these Kappa Pi pledges.

It's not snow; just the after effects of a Forester flour fight.

A lot of work went into the student art exhibit.

The place is really jumping.

These SFA'ers entertained on TV,
no less.

FEBRUARY

February brings a month full of activity. Registration takes place and the spring semester gets under way. Basketball season ends for another year, and the spring sports begin. Various elections are held to elect the campus favorites. Sales of razor blades drop as SFA's annual beard growing contest starts. The biology club has a banquet at the hotel. Toward the last of the month the faculty entertains the students with an assembly program.

I'll bet these boys were afraid
for their lives.

Dick Burnett approaches the poll to
add his vote to the many cast
in the elections.

The gym was packed for the
faculty assembly.

Paul's Performing Professors should go into show business.

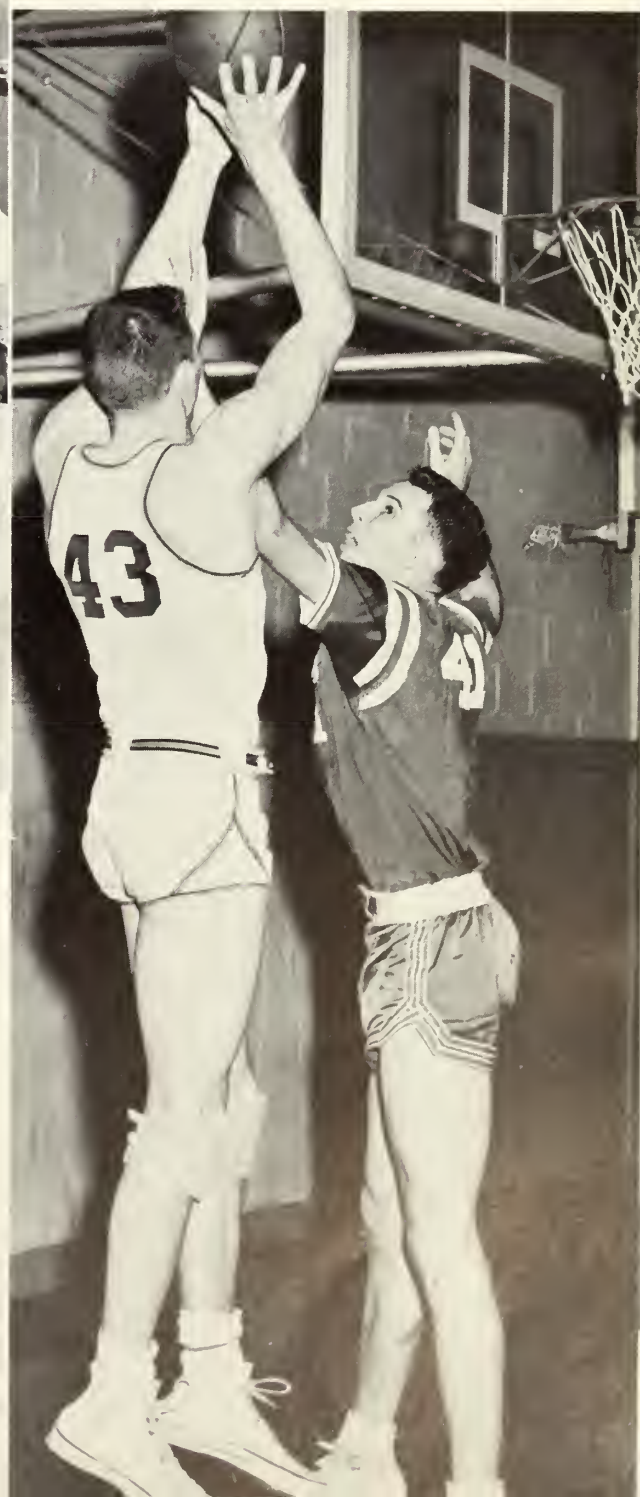

The Sub is always a place to have a good time.

The biology club gets swanky at the Hotel Fredonia.

The season ended with C. L. top scorer once again.

MARCH

Delicious, I'm sure!

March winds usher in some spring weather, but school goes on as usual. Excitement prevails at the Presentation Ball as the top beauties, as well as Mr. and Miss S.F.A., are revealed. Religious Emphasis Week is held toward the middle of the month. Then the girls "get their chance" during Twirp Week at the latter part of March.

Everyone seems to be having a good time at the Presentation Ball.

John Hardin and Flo direct the evening's entertainment at the Presentation Ball.

Fellowship at mealtime.

These people must have really enjoyed the speaker.

Now for a little refreshment.

What kind of a spring play are we having, if this is rehearsal?

What went on before the presentation anyway???

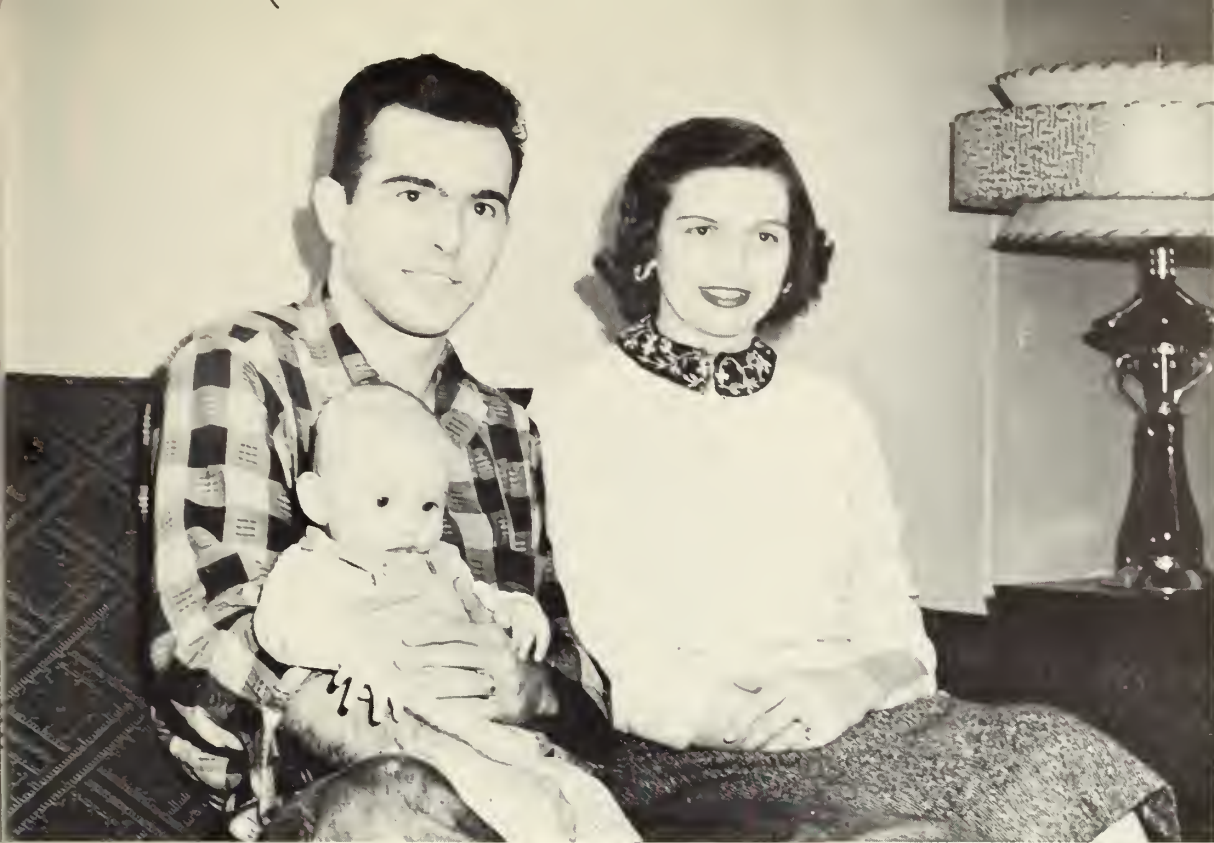

Helen of Troy has nothing on this young lady!

VET VILLAGE

Vet Village is a rapidly expanding housing project for the young married couples on the Stephen F. Austin State College campus. The majority of the students on the campus are not familiar with the married couples and their surroundings. Therefore, on these pages we present a few of the couples that make up the married circle.

STUDENT

PINE LOG

A newspaper carries the news to the people, and The Pine Log carries the SFA news to the student body, but it is sometimes quite a struggle to get it there every Saturday. Each week the staff labors to meet that Friday deadline, and then when it is met, there is the next week's paper to put out. But the students couldn't get along without the Pine Log!

Reporters for the Pine Log are Jerry Reck, Maury Darst, Mary Jane Hooper, Preston Stephens, and Charles Skinner.

PUBLICATIONS

STONE FORT

An annual sets down in picture form the never-to-be-forgotten record of one school year. There is a lot of work, sweat, and tears that go into the production of a yearbook. Often the work becomes tedious, but when all is said and done the members of the annual staff will treasure always the memories that went into the making of the Stone Fort.

Editor Betty Ann Yarborough takes times out for a few minutes gab.

Organized in January, 1938, the Royal Order of Austinites was founded for the purpose of sponsoring school projects for the pleasure and benefit of the student body.

The Austinite Club sponsors a varied calendar of activities each year. These activities include dances, picnics, parties, and teams to compete in all intramural sports. Perhaps the most colorful activity is the annual "Pie Night" each spring semester. As a service to the student body, the Austinite Poll periodically gets the student's view point of pertinent questions. The Austinites are always eager to contribute their efforts toward any worthwhile project that is of interest to, or for the betterment of the student body and school.

FORESTERS

The Foresters had a bigger and better club than ever this year. They were one of the most active clubs on the campus. Rush parties, initiations, the flour fight, stag parties, and all the activities of the club were never-to-be-forgotten events. The Foresters entered into intramural athletic competition and won first place in football. The Christmas Dinner Dance was a big occasion, as was the Valentine Party with the Fideles, our sister club. Members of this social organization can never forget their club, and the rest of the student body of SFA will always remember the cry, "Foresters Forever!"

The Sawyer Social Club has had a very fine and enjoyable year under the very able leadership of the president, Jack Leath. They have participated in all the school activities and have proven again their famous school spirit. The annual Apron-Overall Dance will always be remembered by the student body as one of the best spring dances. The members can also look back upon the Christmas Dinner Dance, the Bowery Ball, and the parties held jointly with their sister club, the Pine Burrs, with memories filled with hours of enjoyment. Many members hold offices in non-social organizations on the campus and also have had some honors bestowed upon them. Truly this has been a fine year for the Sawyers.

SIGMA GAMMA

Activities of the Sigma Gamma Club 1956-1957 were directed by the three major officers. They were Sherry Smith, President, Phyllis Bigby, Vice-President, and Bennie Muckelroy, Secretary. Dr. Doris King served as the club sponsor.

"All Hail Sigma Gamma" begins each meeting of one of the youngest and one of the fastest growing clubs on the S. F. A. campus. Responsible for its continuously expanding program is the spirit of the organization and the club is always expected to do the unexpected.

Honors on the S. F. A. campus to which members of the Sigma Gamma have been chosen include the following: Phyllis Bigby, President of Delta Psi Kappa; Sherry Smith, President of I.S.C.C., Dorothy Hooper was duchess for Sigma Gamma in the 1956 Homecoming activities; Helen Wilcox was elected a member of Kappa Pi.

In the intramural program, there were three members of the all-Star basketball team—Margie Holmes, Bennie Muckelroy, and Barbara Shoubrouck. Sherry Smith and Margie Holmes were members of the all-Star softball team.

Outstanding events for the year included the Fall rush party at Hotel Fredonia, the Spring Indian Pow Wow, Christmas Party, and the Lambda Gamma—Sigma Gamma Show Boat Dance.

LAMBDA GAMMA

The Lambda Gamma Social Club was founded in the fall of 1948. The club was based on the need for an organized group working together to stimulate brotherhood and school spirit at SFA, to promote the principles of the American way of life, to strengthen character, and to create an eternal indivisible bond among men, and to this end the Lambda Gammas are dedicated.

The members of Lambda Gamma are active in Student Congress, athletics, and all social functions. The highlight of every year is the Show Boat Dance at which time is presented the sweetheart of the club. The Lambda Gammas are also famous for the Beard Growing Contest which is also held at the Show Boat Dance. Prizes are given each year to the five most outstanding beards. The club enters a float in the homecoming parade each year. The club colors are blue and gray.

Aside from the Smoker, informal dances, picnics and other social activities, the club has a formal Christmas Dinner Dance. The sweetheart of the Lambda Gammas this year is Miss Anice Hardin.

The Rebel Homecoming float depicted the conformation of Austin's contract of 1823.

REBELS

The newest men's social club on the campus is the Rebel Club. Entering its third year of activity, the club has endeavored to uphold the true standards of the South.

The year's activities began with a rush party which was held in the early part of October. This proved to be very successful as several pledges were later initiated into the club.

The club next turned its thoughts to homecoming. An historical event, the conformation of Austin's contract of 1823, was chosen as the theme of the Rebel float. Miss Frances McNair was chosen as homecoming duchess for the club.

An annual affair of the club is the "Old Southern Garden Dance" which is held in the spring with the sister club, the Rebel Anns. The year's activities are climaxed by a picnic and swimming party somewhere in the vicinity of Nacogdoches.

INTRAMURALS

College life would be dull indeed if it were not for sports. An athlete's footsteps often are weary after a rough workout, but there is something about sports that keeps a guy going, that binds him to his pals, and gives him a feeling of satisfaction that is equaled by nothing else. The following pages show the people who have to maintain their grades and their school's honor.

They are really cheering those 'Jacks on!

Doing much to keep up the school spirit this year were our vivacious cheerleaders. They were always on hand to lend that extra enthusiasm and encouragement that is so necessary to a winning team.

LUMBERJACK FOOTBALL

Playing their first season under Coach Harold J. Fischer and his assistants, Jim Canter and Billy Jack Roberson, the Stephen F. Austin State College Lumberjacks finished fourth in Lone Star Conference standings. In league competition, the Axmen won three of six games, while overall they won four of ten. They ranked second among LSC teams in passing offense and third in passing defense. And they supplied for the all-conference team quarterback Votto Gaddis, who led the conference in individual total offense and in passing, and ranked second in scoring. Gaddis, who received honorable mention for Little All-America, ranked eleventh among the nation's small-college passers. Earning honorable mention for all-conference was end Tracie Pearman, while gaining honorable mention for Little All-America was tackle Rual Smith. Highlights of the season by games:

September 15—Votto Gaddis threw two touchdown passes and kicked two extra points in pacing SFA to a 14-12 victory at Nacogdoches over the Northwestern Louisiana State Demons. On the receiving end of the passes, Tracie Pearman moved 17 yards to score the first Lumberjack touchdown, while James Nutt scampered 58 yards for the second.

September 22—Their first road trip brought disaster to the Lumberjacks, who lost, 21-7, to the Northeast Louisiana State Indians at Monroe. Gaddis passed 10 yards to Pearman for the lone SFA touchdown and then kicked the extra point.

September 29—Defeat number two came for the Lumberjacks at the hands of the Louisiana Tech Bulldogs at Ruston, where the defending champions of the Gulf States League scored a 37-14 win. Stanley Cruse, who scored on a 24-yard pass from Gaddis, and Nutt, who tallied on a 29-yard pass from Tommy Jordan, supplied the SFA touchdowns, while Gaddis and Jordan added the extra points.

Bradshaw carries the ball during the Homecoming game with Sul Ross.

HIGHLIGHTS FOR 1956

October 6—Rebounding from two successive defeats, the Axmen opened Lone Star Conference play on a success note, defeating the Lamar Tech Cardinals, 26-18, at Nacogdoches. Don Davis scored the first SFA touchdown on a one-yard plunge, and he added still another on a line play. Gaddis, who kicked four extra points, added two more touchdowns on plunges.

October 13—Howard Payne, admitted in May, 1956, to the Lone Star Conference but ineligible for championship play until 1957, edged SFA, 12-6, at Nacogdoches. Cruse, who took an eight-yard pass from Gaddis, accounted for the lone score for the Lumberjacks.

October 20—Southwest Texas celebrated its 1956 Homecoming at San Marcos with a resounding 32-6 thrashing of the 'Jacks. Gaddis, who scored on a one-yard plunge, accounted for all of the SFA scoring, as the Axmen lost their first league game and their fourth in six tries for the entire season.

October 27—A Texas A&I team destined to finish second in LSC play trounced the Lumberjacks, 33-13, at Kingsville. George Barfield scored one SFA touchdown on a pass from Gaddis, who himself added the second touchdown and kicked one extra point.

November 3—A rain-dampened SFA Homecoming celebration took on a bright outlook, as Gaddis kicked a field goal in the last few seconds to give the 'Jacks a 9-7 victory over Sul Ross. Earlier, Gaddis had scored the SFA touchdown. The win evened the 'Jacks' conference slate at two wins and two defeats.

November 10—For the first time since 1950, SFA defeated East Texas, 27-14, at Nacogdoches. Contributing touchdowns to the "sweetest" victory of the season were Gaddis on a 27-yard run, Cruse on a 58-yard scamper, Rual Smith on a 15-yard runback of an intercepted pass, and Nutt on a 65-yard pass play. Gaddis kicked three extra points.

November 17—The Sam Houston Bearkats, conference champions and unbeaten for the season, tacked a 31-0 defeat on SFA in the season finale at Huntsville. That loss left the Lumberjacks with a record of three wins and as many losses in LSC competition.

LUMBERJACK BASKETBALL

The 1956-57 Lumberjack basketball team, which failed by one slim game of sharing in its second Lone Star Conference championship in as many seasons, compiled the best won-and-loss mark in 24 years for an SFA quintet. In winning 23 of 26 games, Coach John O. Stephens' charges earned an average of .884, the best mark since the 1932-33 season and second-best in the history of the college. Moreover, they ranked first in the nation in defense, holding their opponents to an average of only 51.4 points per game. And they won the McNeese invitational tournament at Lake Charles and defeated every foe they met in Nacogdoches for the first time in more than a decade. The Axmen's success added additional lustre to Coach Stephens' record, already one of the best in the Southwest, as well as to that of the institution, which for more than 30 years has been one of the nation's small-college cage powers. In five seasons at SFA, Stephens has guided teams to 92 victories in 128 contests, one conference championship, and one second-place finish. Overall, his college coaching record stands at 154 victories in 239 games. In 33 seasons, SFA cage teams have won 446 of 682 games. And in 26 LSC campaigns they have won the championship nine times and finished second six times.

Coach gives a few last-minute instructions.

'Jacks take pre-game warmup.

The 1956-57 Lumberjack basketball team maintained the college's domination over other teams in the Lone Star Conference. In 27 LSC campaigns, the 'Jacks, who this season won 11 of 14 games, have built up a series advantage over every conference foe but East Texas, with which they have split even. They hold a 30-30 tie with East Texas and boast a 14-5 advantage over Howard Payne, an 11-3 edge over Lamar Tech, a 39-38 lead over Sam Houston, a 34-23 margin over Southwest Texas, a 14-2 advantage over Sul Ross, and a 24-1 edge over Texas A&I.

Team "talks it over" in dressing room.

Players and fans stand for school song.

'Jacks discuss strategy at intermission.

*Denotes Lone Star Conference games

Moore scores two for SFA.

Final Lone Star Conference statistics showed SFA ahead in two categories, second in one, third in two, and fourth and fifth each in one. As the nation's top defensive team, the Lumberjacks also led the league, in which they boasted the best season record. They finished second in conference standings, third in field goal and in free throw shooting, fourth in rebounds, and fifth in total offense.

Two SFA players figured among the individual statistical leaders in the Lone Star Conference. C. L. Nix tallied 423 points to rank third in scoring, and snagged 251 rebounds to finish fourth in this department. Bobby Moore, who hit 109 of 135 free throws, ranked second.

One of the highlights of the season was the 'Jacks' winning of the McNeese tournament. Pitted against NAIA defending champion McNeese, NAIA participant Southeastern Oklahoma, and LSC power Southwest Texas, SFA defeated McNeese and Southeastern to take the crown. Victory in that competition enabled the Lumberjacks also to maintain their unblemished record against non-conference opponents during the 1956-57 campaign.

"Lumberjack Appreciation Night" was observed February 26, date of the final game of the 1956-57 season. As a part of the ceremonies, awards were presented to the graduating members of the squad—Delbert Ballard, Roy Carroway, C. L. Jix, Bill Patrick, Billy Jack Doggett, and Rodney Zachry. Presentations were made by Alwin Whitaker, president of the SFA student body.

Chips-down players, the 1956-57 Lumberjacks won eight games by margins of less than 10 points. And two of the three games they lost were by margins of fewer than 10 points. The largest margin of victory for SFA was 49 points in the Texas Lutheran game. And the smallest margin of victory was two points in the Sul Ross game.

In March, 1957, SFA and one of its former coaches won national recognition. R. H. (Bob) Shelton, now dean of men here, became the first Texas basketball coach elected to the Helms Foundation Hall of Fame for significant contribution to the sport. First athletic director and basketball coach at SFA, Shelton was honored at a banquet at Kansas City, Missouri. During his coaching tenure, his SFA teams won seven Lone Star Conference championships, six of them consecutively, and finished second on three other occasions.

MEN'S INTRAMURALS

Intramural athletics are stressed on the Stephen F. Austin campus so that all male students who desire may have an opportunity to participate in physical activity. Under the very able direction of Ronnie Moye, Charles Reeves, and George DeCoux, competition has been keen and interest high. Intramural tournaments are held in the fields of football, basketball, and volleyball.

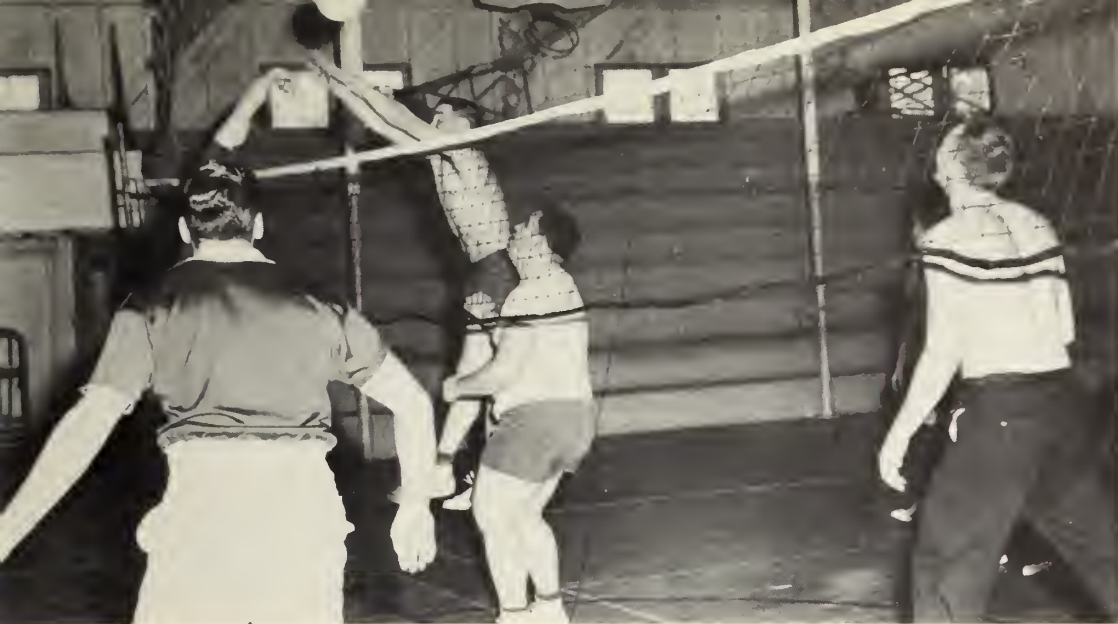

Student directors George DeCoux, Charles Reeves, and Ronnie Moye

The winning football team was the Foresters, composed of: Chester Haynes, Myles Jones, James Jenkins, Henry Pope, Marshall Kendrick, Bubba Chastain, Edmund Smith, Jim Loftin, Bill Bo Jarrell, Roy Hunt, and Terry Morris.

The winning basketball team was the BSU, composed of: Ralph Smith, Gemar Battise, Rual Smith, R. C. Welch, Carroll Burleson, Jimmy Cobb, and Jack Allen.

Looks as though he missed the ball, doesn't it!

That ball has just got to come down sometime.

And everybody goes up and up!

Such an intent group of spectators.

Tracie is after that ball, without a doubt

Everyone is "on the move" as the ball soars in mid-air.

Teddy Bears complete pass and are touchdown bound.

The boys talk over some strategy during time out.

Let's jump it, what do you say.

Edmonds goes high and scores two for the Sawyers.

IN APPRECIATION

In January, 1957, John James Wilson, associate professor of education at Stephen F. Austin State College, officially closed out a 48-year career of service to public school and higher education. Associated since June, 1926, with SFA, where he came from work as a teacher and administrator in Texas public schools and at Western Kentucky State College, Mr. Wilson played an instrumental role in shaping the destiny of the youth of his day. Here he served first as director of the Demonstration School and then as a faculty member in the Department of Education. And many of his students themselves have gone on to serve as educators and to instill in their wards the high ideals of the SFA teacher. In view of Mr. Wilson's long and distinguished service to the cause of education, THE STONE FORT of 1957 hereby expresses its appreciation and extends its best wishes in his retirement from active service.

IN DEDICATION

*"But the poor dog, in life the firmest friend,
The first to welcome, foremost to defend."*

BYRON

Not many students have come and gone from Stephen F. Austin State College in the past few years without becoming acquainted with Tripod and Jess. They are likely to be found anywhere from the Art Department to the Birdwell Building and are two of the most well-known and best-loved figures on the campus. Having been here for quite some time, they are simply and sincerely a part of this college. But the sweeping scythe of time is shortening their lives, and the day is drawing nigh when Tripod and Jess will be only memories at SFA. For this reason, we, the 1957 Stone Fort staff, wish to pay tribute to these two by dedicating this yearbook to them. As Pope once said, "Histories are more full of examples of the fidelities of dogs than of friends."
